Building a Better Community

CMF is committed to ensuring that every child has as many chances to succeed as possible.

CMF is guided in its belief that every person has a success story and is dedicated to helping all individuals find their voice.

CMF promotes improving the quality of life for all our citizens.

CMF embraces its role as a servant to God and community and promises to act responsibly and with integrity and honor.

CMF advocates responsible governmental policies that aid science in its search for finding cures for MS and Autism.

WHY

CMF challenges each individual to make a positive difference in the life of ONE person within his or her community. It is our **MISSION**; it is our **VISION** to build a better community one person at a time.

The **Champions Medal Foundation** is a not for profit organization dedicated to heightening community awareness regarding the numerous diseases that afflict our global family; to continuing the efforts to provide "at risk" youth with the life skills they need to be productive citizens; and, to assist in raising funds to support the National Multiple Sclerosis Society, Autism Society of America and the Youth Challenge Academy.

WHO

- **National Multiple Sclerosis Society**

The Society and its network of chapters nationwide promote research, educate, advocate on critical issues and organize a wide range of programs in the fight to end the devastating effects of MS.

- **Autism Society of America**

The Autism Society of America promotes lifelong access and opportunity for all individuals within the autism spectrum to be fully participating members of their community. Education, advocacy at state and federal levels, active public awareness and the promotion of research form the core of ASA's efforts.

- **Youth Challenge Academy**

The Georgia National Guard Youth Challenge Academy's (YCA) mission is to provide Georgia's "at-risk" youth with academic and life skills training aimed at improving employment potential and creating productive citizens.

The Champions Medal Foundation wants you to join its team in fostering the CHAMPION within us all by donating your time, effort, financial support and love to your community. Together, we can effect change, and, in so doing, we can affect lives.

Our plan is threefold:

1. Heighten awareness of MS, Autism and the needs of "at risk" youth.
2. Raise funds for research and alternative educational programs for our youth.
3. Give some of our time to these organizations in the form of mentors, as support personnel or as advocates.

How we plan on raising funds and awareness :

○ Host annual Gala event with speakers from each organization. Percentage of proceeds from ticket sales, silent auction and pledge contributions to benefit organizations.

○ Throughout the year we will promote pledge drives, hold car washes, host a harvest festival and a jingle jam.

Our **goal** is \$20,000 by the year 2008.

HOW

What's going on?

Log on to our website to find out more about MS, Autism and YCA:

- Advocacy on state and national levels
- Mentoring and/or support groups
- Research
- Local events to support our youth and those living with MS and Autism.

85% of all net fundraiser income goes to benefit MS, Autism and YCA. 15% is used for administrative costs.
